New Vessel for Los Angeles County Sheriff's Department

Willard Marine recently delivered the 44ft. Fast Response Boat to LASD's Special Enforcement Bureau. LASD has already used the boat as a Dive Command and Control on a missing person case. See next issue for story.

No shortage of Inshore Transportation

Must be nice! Honda AquaTrax, boat car or traditional skiff. How do we want to get to shore today?

OCEANSIDE HARBOR POLICE NOW HIRING \$4288 - \$6100/mo.

The City of Oceanside, located on the beautiful Southern California coast midway between Los Angeles and San Diego, has an opening for a Harbor Police Officer.

Oceanside Harbor offers 950 boat slips; a fuel dock and four-lane launch ramp; the quaint Harbor Village offering shops and restaurants; a yacht club; sportfishing and marine rental facilities; and miles of sandy beaches.

The Harbor Police Department is trained in emergency medical procedures, CPR, dive rescue and salvage, boating rescue and fire-fighting. Harbor Police Officers patrol assigned areas by vehicle, vessel, bicycle or on foot to answer service calls for the protection of life and property on the water as well as on land. We are seeking a POST Certified candidate with above average swimming skills to join this exceptional team.

Candidates must be 21 years of age at time of appointment. The successful candidate must obtain a valid SCUBA (double time incentive) and EMT (5% incentive) certifications within eighteen months of appointment. We offer 3% @ 50 CalPERS Retirement; medical, dental, vision and life insurance; uniform allowance, bilingual bonus & tuition reimbursement.

Deadline to apply for this outstanding career opportunity is November 30, 2006. For complete application details visit our website at www.ci.oceanside.ca.us or contact Human Resources, 300 North Coast Highway, Oceanside, CA 92054-2824
