MUSTANG SURVIVAL

Serious Products For serious users.

When the best level of protection is required you can count on Mustang Survival's innovative and functional personal flotation devices to keep you safe while conducting operations on or near the water.

MD3183 LE
Available in Orange, Navy, Olive, Black.

Inflatable PFD with HIT™

New auto-hydrostatic inflator technology puts an end to accidental inflation due to rain or spray and is maintenance free for 5 years. Features unique Comfort Collar™ and patented SecureZip™ closures that withstand the most rigorous activity. Automatically inflates upon water immersion or by pulling activation cord, providing 35 lb of buoyancy and self-righting capability. Law Enforcement Version (LE) comes with back flap and Velcro™ strobe light mounts.

USCG Type V Commercial when worn on uninspected commercial vessels less than 40 ft. in length not carrying passengers for hire.
